

THE UNIVERSITY  
of EDINBURGH

# Empowering Ambassadors of Good Practice

Introduction of SSI and its Fellowship Programme

Oscar Seip, DH RSE Summerschool 2024  
[oscar.seip@manchester.ac.uk](mailto:oscar.seip@manchester.ac.uk)

## FUNDERS

# Software Sustainability Institute

## Software

Helping the community to develop software that meets the needs of reliable, reproducible, and reusable research

## Training

Delivering essential software skills to researchers, partnering with institutions, doctoral schools and the community

## Policy & Research

Collecting evidence on and promoting the place of software in research and sharing with stakeholders

## Outreach

Exploiting our platform to enable engagement, delivery and uptake

## Community

Developing Communities of Practice by supporting the right people to understand and address topical issues

# Software Sustainability Institute

## Mentorship Programme

Work with a professionally trained mentor to develop your impact and engagement skills, as well as your leadership qualities

## Networking

20 Fellows selected each year, including up to 3 International Fellows. Currently, 210+ Fellows.

## Fellowship Programme

“...improve and promote good computation practice across all research disciplines and support those who are doing this work”

## Training & professional development

Attending workshops, courses, conferences, and access to (online) resources

## Leadership development

Organising events, workshops, lectures, seminars to promote good practices in your area of work or domain
